

2016-2017 FAMILY DIRECTORY INFORMATION SHEET

Each September, our school publishes a Family Directory. This directory provides names, addresses, phone numbers, and email addresses for our school families to help you communicate easier with one another. In order to protect your privacy and to ensure we are only publishing information you wish us to provide, we are asking you to complete this form and return it the office prior to the start of the school year. Please note that this information is not published online or made available to any non-school individuals or companies.
