

SUSSEX CHRISTIAN SCHOOL

Challenging the Mind; Strengthening the Spirit

"Train up a child in the way he should go, and when he is old, he will not depart from it." Proverbs 22:6

Dear Parents:

Sussex Christian School has many different ways in which we publicize our school. Brochures, Power Point presentations, and the school website are just a few of the methods used to reach out to the public. To effectively do this, we feel it is beneficial to include pictures of not only our building, but also of the students and staff taken during various school functions and throughout the regular school day.

In order for us to use any picture in which your child(ren) may be included, we are required to have a release form signed by you authorizing the school to use them. Please sign the form below, and return it to school indicating whether or not you will allow your child(ren)'s pictures to be used for these purposes.

Sincerely,

Trish King
