

SUSSEX CHRISTIAN SCHOOL

Challenging the Mind, Strengthening the Spirit

Dear Parents:

Sussex Christian School has many different ways in which we publicize our school. Brochures, social media, and the school website are just a few of the methods used to reach out to the public. To effectively do this, we feel it is beneficial to include images/videos of not only our building, but also of the students and staff taken during various school functions and throughout the regular school day.

In order for us to use any media in which your child(ren) may be included, we are required to have a release form signed by you authorizing the school to use them. Please sign the form below and return it to school indicating whether or not you will allow your child(ren)'s image to be used for these purposes.

Sincerely,

Robert Waters
