Welcome to the 46th Annual Auction & Dinner

We are so grateful you've joined us for an evening of fellowship, fun, and community support. This event reflects the faithful partnership between our school families, local businesses, and friends of Sussex Christian School (SCS).

Your presence tonight and your generous participation help sustain every part of the SCS experience. The funds raised support classroom resources and technology, campus improvements that maintain safe and welcoming facilities, and enrichment opportunities that help students grow academically, spiritually, and socially. These efforts also help keep tuition more affordable, allowing more families to experience a Christ-centered education that shapes hearts and minds for service.

A heartfelt thank-you to the many hands that make this night possible; our donors, volunteers, auctioneers, and the local businesses whose generosity fills these pages. This event is organized by OEL (Ora Et Labora "Pray and Work"), whose members dedicate their time and talents year-round to support SCS.

We invite you to enjoy the evening, bid generously, and celebrate what God continues to do at Sussex Christian School.

With gratitude,

The Sussex Christian School OEL Committee

On behalf of the Auction Planning Team

Amy Everett, Annette Kuperus, Alex Little, and Kristen McLoughlin

and the Dinner Planning Team

Class Baskets

Each year, every class at Sussex Christian School helps create a themed “Class Basket” for the auction. Families contribute items, and students add personal touches that make their basket special. Some classes helped craft items, while others created something meaningful to include, giving each basket a piece of their classroom community.

These baskets are a reflection of our students' creativity, joy, and generosity. Their involvement reminds us that this event is not only about supporting the school, but about teaching generosity, teamwork, and gratitude in action.

We are so proud of their efforts and thankful for the teachers and parents who helped bring these beautiful class baskets together.

Detailed descriptions for each basket are located in the back of the catalog.
